

**GREETINGS
FROM
SOUTHERN METHODIST COLLEGE**

April 2018

Dear College Family,

By the time you read this update our annual benefit golf tournament will be history. Toyota was once again our corporate sponsor. We played at Hillcrest Golf Course in Orangeburg for the first time. Thank you to everyone who played, sponsored a hole, or made a donation.

After a long wait, Mid-State Roofing has begun work on Huggins Field House and we hope to have pictures on Facebook soon.

The next big event for us is the Midlands Gives Media Fundraiser on May 1. Please visit the Southern Methodist College Facebook page for exciting updates.

Our summer term of studies will begin on May 22 and lasts for eight weeks. Can you think of a better way to spend part of your summer than to enroll in a Bible or Christian Ministries course? Drop me an e-mail if you are interested or want further information.

We will have a display at General Conference and hope to see you there.

Dr. Vic Reasoner, President
vreasoner@smcollege.edu

Reminders:

April 14 Annual Golf Tournament
May 1 Registration for Summer Semester Begins & Midlands Gives

Money raised through Midlands Gives will go towards the renovation of the Felkel Student Center.
