

GREETINGS FROM SOUTHERN METHODIST COLLEGE

May 2017

HIGHLIGHTS FROM SMC

* A former student got her bill caught up and re-enrolled. She wrote, "My time taking evening courses at the college, and my summer giving tours of the Tabernacle are some of my fondest memories."

* Last month we paid down our bank loan by some \$45,000 and were able to renegotiate the remaining balance at a lower rate of interest. This is our only indebtedness and currently that amounts to \$128,000. A board member has pledged \$5000 if I can find someone or several people who will match it. That \$10,000 would also be applied to our principle. We are reducing expenses, increasing enrollment, and attempting to expand our base of support.

* Our annual benefit golf tournament on April 29th cleared over \$4000. Thanks to everyone who helped!

* We are looking forward to graduation on Thursday evening, May 11, at 7:00 pm at First Southern Methodist Church in Orangeburg. If you are in the area, please come and share in the celebration. Thank you for your prayers and support!
