

GREETINGS FROM SOUTHERN METHODIST COLLEGE

June 2017

Greetings Christian Friends,

Although graduation was on May 11th, we are now in our summer term and we have ten students taking summer classes on-line. Our academic year will end July 17th with a total head count of 20 for the year. We are thankful for each student God has led our way! The new academic year will begin August 23rd and we have been promised ten new Filipino pastors as students. The tasks of recruitment, fund raising, and development are year round. However, our students are our first priority. Recently a student finished History of Civilization I and wrote,

This course has been unbelievable. I cannot even begin to tell you how much I have learned throughout this course, and frankly I am ecstatic that there is still another course of this to go! Thank you so much!

Our 2017 graduates with the Faculty

I like to tell my students that I am so old that when I took History of "Civ" it was only one semester! But I am encouraged that this student is looking forward to the second semester of History of "Civ," which he is taking this summer. History is interesting and instructive when we read it through the lens of Scripture and see God's providential interventions in human history. Why don't you consider taking an online course this fall semester? If you are interested, please drop me a line at vreasoner@smcollege.edu.

Dr. Vic Reasoner
President

REMINDERS:

July 17 End of 2016-2017 Academic Year
July 18-Aug. 21 Summer Break
August 22 Fall Semester Begins
