

GREETINGS FROM SOUTHERN METHODIST COLLEGE

July 2017

Greetings, Christian Friends,

* June was a busy month on campus. Fifteen teens and adults from a Presbyterian Church of America work team were on campus for three days painting the chapel at no cost to us. A PCA church plant presently rents the chapel from us on Sunday evenings. The work team also donated four new picnic tables for the picnic area on campus.

* Renovations have begun in Terry Hall, which is currently being painted. We have 20 new HVAC units on order, thanks in part to the Eastern Conference WMS.

* We have continued to make repairs and upgrades on campus, which has resulted in a decrease in utility costs.

* I just met with the executor of an estate which makes an annual contribution to the college. I explained that we need a new roof on the Huggins Field House and I am hopeful that the Lord will provide some major funding.

* I continue to grade papers and interact with my summer school students online and they are all doing good work.

* After Marvin Clark “retires,” he has agreed to assume a new position as Interim Alumni Director. We have already begun to discuss some events that would bring our alumni back on campus to enjoy the renovations.

* I hope to see many of you before the month of July is over at one of the annual conferences. Thank you for your prayers and financial support!

Dr. Vic Reasoner
President

Reminders:

July 17	End of 2016-2017 Academic Year
July 18-Aug. 21	Summer Break
August 22	Fall Semester Begins
